The board of directors of the Old Fort Gun Club, it's members and volunteers recognize that the care of a child is an important mission and we want to take the opportunity to help with that mission. Care of any kind, especially medical care, requires a lot of funding and it is our hope that we can help by using the funds from this match to benefit the Arkansas Children's Hospital.

Arkansas Children's Hospital's vision is a simple one:

To improve children's health by providing integrated PREP:

- Patient Care
- Research
- Education
- Prevention
