### Jan 19 – 20 Shoot

Our January shoot set a new record with 60 shooters on both days (46 on Sat and 14 on Sunday) with shooters from three states: Oklahoma, Missouri and Arkansas. The weather was great and all had a good time. Congrats to Creek County Kid as the top cowboy with a clean match. Greasy Creek, Holy Smoke Harmon, Long White Dog & Snake Oil George also shot clean matches.

Don't forget our Tuesday afternoon "fun shoot." We start at 3:00pm during the winter and shoot 'til whenever - we do have lights.

We have virtually unlimited dry camping on the range and Springhill Park (Corp of Engineers camping) is only three miles from the range.

## Camping (cont.)

If you plan to arrive on Friday night, please contact one of the officers and we can make sure you gain entry.

## Construction Continues at the Range

Construction continues at the Cowboy Range with electricity planned for the near future. Miss Laura's has been started and we are planning a new meeting building and club house in the next few months.

## Annual Match

Our first annual match is being planned for this year ... more info can be expected shortly.

Several annual shoots are coming up and encourage all to attend any they can. Some of these clubs are located in Arkansas, but most are in neighboring states for shoots our members are planning to attend. Use this as a guide ... remember to check their website for exact dates and activities ... and for registration forms. There are shoots all over the country, so this can never be a complete list.
