Aug Shoot - 2017

On the eve of the 2017 Eclipse, we had twenty four shooters on Saturday and eight on Sunday blocking out the sun with lots of gunsmoke and clanging of targets. CS Brady was the top shooter on both days with a total time on the six stages of 112.63 (Saturday) and 119.21 (Sunday). The competition was close with Cowpolk only two seconds slower on Saturday and Naildriver only .25 seconds behind on Sunday. Both Cowpolk and CS Brady shot clean on Saturday along with Ambler and Holy Smoke Harmon. Naildriver was the only clean shooter on Sunday.

My apologies for the lack of new pictures. We've been on the road but will return home in about a week.

Don't forget ***Shootin' in the Shade***, the Arkansas State Championship coming up in September.

Use this as a guide … remember to check specific website for exact dates and activities … and for registration forms. There are shoots all over the country, so this can never be a complete list.
