Nov Shoot - 2017

For November, the weather was a little brisk on Saturday but Sunday was much nicer with sunshine and virtually no wind. The stage scenarios were challenging with two featuring moving targets and others required shooters to move. We had fifteen shooters on Saturday and six on Sunday. CS Brady was again the fastest gun on both days with two clean matches. Low Gap Kid was the only other clean shooter on Saturday, but on Sunday Ambler also shot clean.

Be sure and put the Christmas Party on your calendar ... Dec 16, 2017. A flyer is included in this newsletter.

Finally, don't forget to get your application in for "Hell on the Border." As always, we are planning a very fun-filled event.

Use this as a guide ... remember to check specific website for exact dates and activities ... and for registration forms. There are shoots all over the country, so this can never be a complete list.
